MARGARET RIVER

2009 'Muse' Reserve Cabernet

Mantra Reserve wines are chosen for their inspiration, extraordinary character and perfect representation of variety and region. The Muse Cabernet Sauvignon is evocative of the spirit and seductiveness of Margaret River Cabernet - rich blackcurrant and chocolate aromas; deep, dark cherry and blackberry concentration, toasty oak and creamy texture.

Awards and Accolades

Ray Jordan Wine Guide 2013, 95 Pts

Plenty has been packed into this powerful expression of Margaret River cabernet. Black-currant and dark chocolate on the nose with a subtle mix of savoury oak. The palate is deeply concentrated with ripe firm tannin and liberal oak to support it. Still controlled and focused with a sustained finish. A wine with great cellaring potential.

James Halliday 2012 Wine Companion

Highly polished and fragrant bouquet of pure cassis, cedary, fine French oak and a little highlight of violet; the palate is soft and amply-fruited on entry, with fine grained tannins taking the fruit on a long and full-blooded ride to the finish line

Winewise Magazine – August 2012

The nose shows blackcurrant and bay leaf aromas, and the impressive intensity of this wine is more than matched by the oak.
