

AMATO VINO

2022 Tramonto

Second year as part of the 'Fusa' series – a light red, perfect for chilling – that's in the fridge or on the porch ;-)

An assortment of red and white varieties make up this delightful, juicy wine – Teroldego, Primitivo and Cabernet for the reds, with Marsanne, Chardonnay and Verdelho making up the remainder.

Both Teroldego and Primitivo were pressed off after 24 hours on skins so the colour and tannin structure are both softened significantly. These two grapes offer just the right fragrance and red-berried juiciness for a delectable light red, while the Cabernet provides just a teeny smidge of tannic/acid structure to let you know you are still drinking a red wine, albeit chilled, in summer, in your bathers.

Light ruby red colour. The nose gives up maraschino cherry, raspberry and musk – some red jubey confect here, licorice, and a little perfumed talc. Very Pinot-esque! Onwards through sour cherry, cranberry and pomegranate to Pink Lady apple skins, smoky meats and earth. There's strawberry and logan/boysenberry too, rounded out with some leafy herb and leather.

The palate follows with the red/blackberry spectrum and dense savoury plum, blackberry jam and dark chocolate, introducing lighter characters of Seville orange, white pepper and cardamom spice. Black tea minerality, some sappy redcurrant and some firm yet fine tannins bring up the finish. An all-rounder.

Drink young and vibrant with or without food.
Organically produced. Vegan Friendly

Tech

| | |
|--------------------|--|
| Handling: | Handpicked reds, machine picked whites. The reds destemmed to open bins and whites tank-pressed to oak |
| Fermentation: | Red parcels wild fermented in tank, whites in French oak |
| Pressing: | Tank-pressed |
| Maturation: | 6 months in tank (reds) and oak barriques (whites) |
| Filtration/Fining: | None |
| Bottled: | September 2022 |
| Alcohol: | 13.4% |
| Ingredients: | Teroldego (21%), Primitivo (18%), Cabernet Sauvignon (17%), Chardonnay & Chenin (44%), Sulphur Dioxide |
| Wine Status: | Vegan |
| Production: | 213 dozen |
| Vineyard: | Various, Margaret River region |
